GREETINGS

Dear Friend,

It is with great appreciation that I present this Summer 2021 Donor Report.

Your friendship warms my soul. I hope you enjoy reading this appreciation newsletter, where you can see first-hand the impact you have on so many lives.

You help countless individuals powerfully engage, feel connected, and at home. Not only that, but you have provided a permanent home.

Because of you they feel that they can proudly put a mezuzah on their doorpost, explore their meaningful heritage, join exciting immersive experiences and feel the warmth of their Chabad family.

TORAH DEDICATION

The new Torah, dedicated by Fran Greiner and family, is new to our community but is not new at all - it is over 200 years old!

This Torah originates from the German Czech region and is extremely unique. Over 300 hours were spent by expert scribes to restore it to perfection! We are so excited to welcome it into its new home where it will be used for generations to come!

WHY I GIVE TO CHABAD OF FRISCO BY, FRAN GREINER

To me and my late husband, Chabad is Judaism as it should be - religious with reverence, love, fellowship, welcoming , non judgmental and ready to help anyone in need. Because of these things and more, Chabad breaths new life and enthusiasm into the practice of Judaism in the synagogue and home by encouraging participation in learning programs, celebrating holidays and life events and just getting together for activities and friendship. Rabbi Kesselman and Mushkie embody all of these ideals and have made a Jewish home for all of us in Frisco.
